ABOUT THIS FILLY

An imposing daughter of Shaman, out of a mare, already proven at producing winners, including the 102-rated, Eternal Elixir (Shaman). Walking the sales complex, some horses catch your eye with knockout looks, and we kept coming back to her, impressing more with each viewing. Some shrewd judges and good trainers followed her into the ring, including Karl Burke. He is the perfect fit for this filly, and when approached about adding her to his incredible string, he was only too happy to accept. She will make a two-year-old, but with scope to keep progressing, and if she takes after her brother, we'll be in for some fantastic days on the racecourse and in the winners' enclosure, for sure.
